Cameron A. Kuehne DMD, MS co-owns the Center for Sleep Apnea & TMJ, with locations in Boise and Nampa, Idaho. Dr. Kuehne has accumulated more than 3000 hours of continuing education related to craniofacial pain, sleep disorders, and pain management. He obtained his dental degree at Temple University School of Dentistry (Kornberg School of Dentistry) and continued on to Tufts University School of Dental Medicine where he obtained a Masters of Science degree in the areas of craniofacial pain and dental sleep medicine. He holds current leadership positions in the American Academy of Craniofacial Pain.

Dr. Kuehne is a Diplomate of the American Board of Craniofacial Pain, a Diplomate of the American Board of Dental Sleep Medicine, and a Diplomate of the American Board of Craniofacial Dental Sleep Medicine. He is a Fellow of the American Academy of Craniofacial Pain. His practice is accredited through the American Academy of Dental Sleep Medicine. He is also adjunct faculty at University of the Pacific Dental School (Arthur A. Dugoni School of Dentistry) and Boise State University.

He is married to his beautiful wife Hollie and has twin children Brecken and Kinsley. They enjoy biking, camping, boating, snowboarding/skiing and playing sports together.

TMD Made Easy

- Basic anatomy of the jaw
- The difference between the most common TMD symptoms seen in the dental practice
- How to treat these problems
- Connection to bruxism and sleep apnea
- Case presentations

Sleep Medicine for the General Dentist

- Basic anatomy of the airway
- How to interpret a polysomnogram
- Oral appliance therapy
- Titration of the oral appliance
- Managing side effects of oral appliance therapy
- Pearls from my practice (growing your sleep practice and guidelines for billing)
